

Indoor LED Video Display

The captivating viewing experience of an OES LED video display draws everyone watching into the action moment by moment. From unlimited advertising spots to show stopping animations and video messages to highlighting game stats in a dazzling new way, our vibrant video screens offer endless “wow” factor options for enhanced fan engagement.

Let us help you create a dynamic and versatile video display that will enhance game excitement, delight your fans and generate revenue.

Bring your video display to life with Bolt, our live event production suite. Easily broadcast and entertain fans with live video feeds, sponsor ads, team messages, still and motion graphics. For an enhanced viewing experience, connect Bolt to your OES controller and display a wide range of real time scoring and stats information during your event.
