

Goal Lights – GLR-485

- GLR-485 goal lights are the perfect accessory for your arena or hockey practice facility. Great for hockey, ringette and indoor lacrosse.
- Same GLR-485 goal lights are used by the NHL and NCAA.
- Goal lights seamlessly integrate with any OES scoring system or can operate independently from existing scoreboard.
- Includes both a red and green light. Red illuminates when a goal is scored and green when the game time reaches zero. Lights can be customized to illuminate with a flashing or rotating pattern.
- Each goal light includes hooks to hang from the dasher board glass.
