# Digit Colors

Our scoreboard digits are built with higher intensity LEDs and incorporate more LEDs per digit than other companies. The result is brilliant and superior viewing experience from almost any angle and distance. Choose from five standard digit colors including our renowned, ultra-bright white at no added cost.

Whether it's a scoreboard with one digit color or a mix and match of options, OES LED digits will set your scoreboard apart from the crowd.

## **Enclosure** Colors

Our scoreboard enclosures are known for their color brightness, fade resistance and durability. Choose from a variety of popular enclosure colors to make your scoreboard stand out.

Don't see your ideal color choice? We'll use our custom color-matching process to determine the perfect color match.

Dimensions may vary depending on customization, accessories and accent additions. Product specifications and related information is subject to change without notice.
