

- The M8025C outdoor scoreboard can be adapted for football, lacrosse, track and soccer.
- Built with shatter proof panels, weather-proof coating and superior components. Our commitment to quality and exceptional durability protects your scoreboard investment.
- High intensity LED digits offer brilliant and superior viewing experience from almost any angle and distance.
- Displays game time up to 99:59, home and guest scores, quarter, down, yards to go, ball on, time outs left, and has football shaped possession markers and includes a built in horn.
- Offers the flexibility to adjust game time display to show 1/10 of a second when the game time is less than 1 second. Also includes interval timer feature.
- Easily adjusted for other sports when paired with an OES controller and includes built in support for common track timing software protocols.

ColorCast™ Colors

ColorCast digits are designed to illuminate your scoreboard with vibrant color. Whether you choose a single digit color or combine multiple colors on your scoreboard, ColorCast offers more digit color flexibility than anywhere else.

Plus, when integrated with ColorCast Pro, ColorCast digits light up your scoreboard with an infinite number of color choices that can be changed at any time and in moment of the game.

Popular Enclosure Colors

Our scoreboard enclosures are known for their color brightness, fade resistance and durability. Don't see your ideal color choice? We'll use our custom color-matching process to determine the perfect color match.
