## ColorCast™ Colors

ColorCast digits are designed to illuminate your scoreboard with vibrant color. Whether you choose a single digit color or combine multiple colors on your scoreboard, ColorCast offers more digit color flexibility than anywhere else.

Plus, when integrated with ColorCast Pro, ColorCast digits light up your scoreboard with an infinite number of color choices that can be changed at any time and in moment of the game.

## Popular Enclosure Colors

Our scoreboard enclosures are known for their color brightness, fade resistance and durability.

Don't see your ideal color choice? We'll use our custom color-matching process to determine the perfect color match.
